Promoting and protecting the health of the public and the environment.

PUBLIC NOTICE AMENDMENT REQUEST

The permittee for **P/N# OCRM-03-279-M, Cecil Lachicotte**, has requested an amendment to that issued permit. Specifically, the applicant proposes to replace a portion of the previously permitted walkway and the 16' by 25' fixed pierhead with two 4' wide independent walkways with handrails, both leading to a 14' by 14' covered fixed pierhead with handrails. On the ebbside and floodside of the new respective pierheads, an access ramp will lead to an 8' by 25' floating dock. The proposed amendment is for modifications to a private joint use dock on and adjacent to Westbank Creek between Lots 1 & 2, Wharf Ferry Road, Legare Creek Plantation Subdivision, Edisto Island, Charleston County, South Carolina.

Written comments will be received on this amendment request until July 13, 2008 at the address listed below. For further information please contact the project manager, Fred Mallett, 843-953-0236.
